VENUES:
Participating artists are responsible for coordinating their own exhibition space through either a **Host Venue** or an **Independent Venue**. Broome Art Trail Coordinators are working to fill “Host Venues” with participating artists. To facilitate the process of pairing with a host venue, **please refer to the complete list of available host venues and contact the site coordinator before submitting the application.** To **INQUIRE about available host venues**, contact site coordinator with "ART TRAIL" subject, if via email.

- **Host Venue; Studio**: defined as hosting 1 to 2 participants
- **Host Venue; Main Venue**: defined as hosting between 3 and 10 participants.
- **Independent Venue**: defined as any site wishing to be listed on the trail, and is working to fill the space with their own artists.
- If applying for BAT participation with an **Independent Venue**, insurance is required
- No application can be accepted or considered complete *without* a specified venue (whether it is a Host Venue or an Independent Venue)
- Host Venue spaces are first come, first serve and can only be secured by contacting the site coordinator listed for the venue. As main venues fill, participants will be distributed throughout the county. Get this done early!
- As Host Venues fill, they will be marked as [CLOSED] in the working venues list on broomearts.org

REPRESENTATIVE ARTWORK IMAGE:
Every participant must submit an image of his or her artwork, or one representative image on behalf of a group.

- The image needs to be submitted digitally as a JPG during the application process
- The image file needs to be named with the in the following format:

  artistlastname_firstname_BAT.jpg  - OR -  organization/groupname_BAT.jpg

- The image will be included in the 2020 BAT map, in social media posts to promote Broome Art Trail, and on the BCAC website
- Please consider that on the 2019 Broome Art Trail Map, image icons were 1”x1”
